Fiscal Year 2022 (FY22) Pancreatic Cancer Research Program (PCARP) Reference Table of Award Mechanisms and Submission Requirements

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
Idea Development Award Go to:	Established Single Principal Investigator (PI) Option:	Preproposal is required; application submission is by invitation only.	Established Single PI Option:	Pre-Application (Preproposal):
Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-22-PCARP-IDA	Investigators at or above the level of Assistant Professor (or equivalent) or Early-Career Investigator Partnering PI Option: Investigators at or above the level of Assistant Professor (or equivalent) may collaborate on a single application with an early-career investigator that meets the following criteria at the application submission deadline date: • Must have instructor-level (or equivalent) faculty appointment or above • Is no more than 10 years from the receipt of a terminal degree (excluding time spent in residency or on family medical leave)	Supports new ideas that represent innovative, highrisk/high-gain approaches to pancreatic cancer research and have the potential to make an important contribution to one or more of the FY22 PCARP Focus Areas. Emphasis is equally placed on Innovation and Impact. Preliminary data are encouraged, but not required. Clinical trials are not allowed. Must address at least one of the FY22 PCARP Focus Areas. Early-Career Investigator Partnering PI Option supports applicants early in their faculty appointments or in the process of developing independent research careers.	 Maximum funding of \$500,000 for direct costs (plus indirect costs). Maximum period of performance is 3 years. Early-Career Investigator Partnering PI Option: Maximum funding of \$650,000 for direct costs (plus indirect costs). Justification should be provided if greater than 50% of the total budget is requested for the initiating PI. Maximum period of performance is 3 years. 	July 8, 2022 5:00 p.m. Eastern Time Application: October 6, 2022 11:59 p.m. Eastern Time

Fiscal Year 2022 (FY22) Pancreatic Cancer Research Program (PCARP) Reference Table of Award Mechanisms and Submission Requirements

Award Mechanism	Eligibility	Key Mechanism Elements		Funding	Submission Deadline
Translational Research Partnership Award Go to: • Program Announcement • General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-22-PCARP-TRPA	PIs must be at or above the level of Assistant Professor or equivalent. Clinicians must be an M.D., M.D./Ph.D., or equivalent with clinical duties and/or responsibilities. Postdoctoral and clinical fellows are not eligible. At least one member of the partnership must have expertise either in pancreatic cancer research or pancreatic cancer patient care.	Supports partnerships between clinicians and laboratory scientists that accelerate ideas in pancreatic cancer into clinical applications. Must address at least one of the FY22 PCARP Focus Areas. Supports translational correlative studies. Preliminary data required Retrospective tissue analysis, correlative studies, or small pilot clinical studies are permitted. Preproposal is required; application submission is by invitation only.	•	Maximum funding of \$750,000 for direct costs (plus indirect costs). Maximum period of performance is 3 years.	Pre-Application (Preproposal): July 8, 2022 5:00 p.m. Eastern Time Application: October 6, 2022 11:59 p.m. Eastern Time
