Reference Table of Award Mechanisms and Submission Requirements***

PCRP AWARD MECHANISMS WITH EMPHASIS ON INNOVATION				
Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
Idea Development Award Go to: <ul style="list-style-type: none"> Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-19-PCRP-IDA	<p><i>Established Investigators:</i> Independent investigators at all levels</p> <p><i>or</i></p> <p><i>New Investigators:</i> Investigators that meet the following criteria at the application submission deadline date:</p> <ul style="list-style-type: none"> Have the freedom to pursue individual aims without formal mentorship Have not previously received a PCRP Health Disparity Research Award and/or Idea Development Award Have completed at least 3 years of postdoctoral training or fellowship and are within 10 years after completion of terminal degree (excluding residency or family medical leave) 	<p><i>Preproposal is required; application submission is by invitation only.</i></p> <ul style="list-style-type: none"> Supports new ideas that represent innovative, high-risk/high-gain approaches to prostate cancer research and have the potential to make an important contribution to one or more of the FY19 PCRP Overarching Challenges. Emphasis is equally placed on Innovation and Impact. Preliminary data are encouraged, but not required. Clinical trials are not allowed. <i>Must</i> address at least one of the FY19 PCRP Overarching Challenges. <i>New Investigator Option</i> supports applicants early in their faculty appointments or in the process of developing independent research careers. 	<p><i>Established Investigators:</i></p> <ul style="list-style-type: none"> Maximum funding of \$750,000 for direct costs (plus indirect costs). <p><i>New Investigators:</i></p> <ul style="list-style-type: none"> Maximum funding of \$600,000 for direct costs (plus indirect costs). Maximum period of performance is 3 years. 	<p>Pre-Application (Preproposal): June 6, 2019 5:00 p.m. Eastern Time</p> <p>Application: September 19, 2019 11:59 p.m. Eastern Time</p>

Reference Table of Award Mechanisms and Submission Requirements***

PCRP AWARD MECHANISMS WITH EMPHASIS ON NEW INVESTIGATORS				
Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
Early Investigator Research Award Go to: <ul style="list-style-type: none"> Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-19-PCRP-EIRA	By March 31, 2020 Postdoctoral Principal Investigators (PIs): <ul style="list-style-type: none"> Must possess a doctoral degree (or equivalent) Have 3 years or less of postdoctoral research experience (excluding clinical residency or clinical fellowship training) 	<ul style="list-style-type: none"> Supports research opportunities focused on prostate cancer for individuals in the early stages of their careers. PIs must have a designated mentor who is an experienced prostate cancer researcher. Applications from PIs who demonstrate a commitment to pursuing a career focused in prostate cancer health disparity research are highly encouraged. Must address at least one of the FY19 PCRP Overarching Challenges. 	<ul style="list-style-type: none"> Maximum of \$200,000 for direct costs (plus indirect costs). Maximum period of performance is 2 years. 	Pre-Application (Letter of Intent): June 6, 2019 5:00 p.m. Eastern Time Confidential Letters of Recommendation: July 2, 2019 5:00 p.m. Eastern Time Application: June 27, 2019 11:59 p.m. Eastern Time
Physician Research Award Go to: <ul style="list-style-type: none"> Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-19-PCRP-PRA	At the time of application submission, the PI must be either: <ul style="list-style-type: none"> In the last year of an accredited graduate medical education program, either as a resident or fellow; or <ul style="list-style-type: none"> Within 5 years of having initiated a faculty appointment (including Instructor positions) 	<ul style="list-style-type: none"> Supports a mentored research experience to prepare physicians with clinical duties for careers in prostate cancer research. PIs must demonstrate a commitment to a career at the forefront of prostate cancer research and clinical practice. PIs must have a designated mentor with an established research program in prostate cancer. Must address at least one of the FY19 PCRP Overarching Challenges. 	<ul style="list-style-type: none"> Maximum funding of \$750,000 for direct costs (plus indirect costs). Maximum period of performance is 4 years. 	Pre-Application (Letter of Intent): June 6, 2019 5:00 p.m. Eastern Time Confidential Letters of Recommendation: July 2, 2019 5:00 p.m. Eastern Time Application: June 27, 2019 11:59 p.m. Eastern Time

Reference Table of Award Mechanisms and Submission Requirements***

PCRP AWARD MECHANISMS WITH EMPHASIS ON IMPACT				
Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
Clinical Trial Award Go to: <ul style="list-style-type: none"> Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-19-PCRP-CTA	Independent investigators at all levels	<ul style="list-style-type: none"> Supports hypothesis-based, early-phase clinical trials (e.g., Phase 0, Phase I, pilot Phase II) to test interventions that will have a major impact on one or more of the FY19 PCRP Overarching Challenges. Interventions may include drugs, devices, biologics, surgical procedures, behavior modifications, or other types. Investigational New Drug or Investigational Device Exemption approvals, if applicable, must be in place by the time of application submission. Letter of support to demonstrate proof of possession of sufficient drug supply to conduct study must be provided (if appropriate). Clinical trials are expected to be initiated within 12 months of the award date. 	<ul style="list-style-type: none"> Maximum funding of \$2,000,000 for direct costs (plus indirect costs). Maximum period of performance is 4 years. 	Pre-Application (Letter of Intent): June 27, 2019 5:00 p.m. Eastern Time Application: July 18, 2019 11:59 p.m. Eastern Time
Health Disparity Research Award Go to: <ul style="list-style-type: none"> Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-19-PCRP-HDRA	<i>Established Investigators:</i> Independent investigators at all levels <i>or</i> <i>New Investigators:</i> Investigators that meet the following criteria at the application submission deadline date: <ul style="list-style-type: none"> Have the freedom to pursue individual aims without formal mentorship Have not previously received a PCRP Health Disparity Research Award and/or Idea Development Award 	<ul style="list-style-type: none"> Supports ideas that have high potential to make a significant impact in reducing and ultimately eliminating disparities in prostate cancer incidence, morbidity, and mortality. Primary emphasis will be placed on the potential impact of the proposed work. Preliminary data are encouraged, but not required. Proposed projects may include basic, translational, population science, or clinical research, including clinical trials. <i>Must</i> address at least one of the FY19 PCRP Overarching Challenges. <i>New Investigator Option</i> supports applicants early in their faculty appointments or in the process of developing independent research careers. 	Established Investigators: <ul style="list-style-type: none"> Maximum funding of \$750,000 for direct costs (plus indirect costs). New Investigators: <ul style="list-style-type: none"> Maximum funding of \$600,000 for direct costs (plus indirect costs). Maximum period of performance is 3 years. 	Pre-Application (Letter of Intent): June 27, 2019 5:00 p.m. Eastern Time Application: July 18, 2019 11:59 p.m. Eastern Time

***Fiscal Year 2019 (FY19) Prostate Cancer Research Program (PCRP)
Reference Table of Award Mechanisms and Submission Requirements***

PCRP AWARD MECHANISMS WITH EMPHASIS ON IMPACT				
Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
	<ul style="list-style-type: none"> Have completed at least 3 years of postdoctoral training or fellowship and are within 10 years after completion of a terminal degree (excluding residency or family medical leave) 			
Synergistic Population and Data Science Award Go to: <ul style="list-style-type: none"> Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-19-PCRP-SPDSA	Independent investigators with a faculty-level appointment (or equivalent)	<ul style="list-style-type: none"> Supports multi-institutional partnerships that will leverage existing prostate cancer patient datasets and/or cohorts to address high-impact questions responsive to the FY19 PCRP Overarching Challenges. Allows for development of infrastructure to facilitate access to multiple datasets/cohorts, as well as conducting hypothesis-based studies utilizing the multi-institutional datasets. Minimum of three institutions and three patient datasets/cohorts is required. 	<ul style="list-style-type: none"> Maximum funding of \$1,500,000 for direct costs (plus indirect costs). Maximum period of performance is 4 years. 	Pre-Application (Letter of Intent): June 27, 2019 5:00 p.m. Eastern Time Application: July 18, 2019 11:59 p.m. Eastern Time
Translational Science Award Go to: <ul style="list-style-type: none"> Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-19-PCRP-TSA	Independent investigators at all levels	<ul style="list-style-type: none"> Supports translational studies that will advance promising ideas into clinical applications. The potential impact of the research is expected to be significant and go beyond an incremental advance. Preliminary data to support feasibility are required. Proposed projects may include basic, translational, population science, or clinical research, but must demonstrate clinical relevance. Clinical trials are not allowed. 	<ul style="list-style-type: none"> Maximum funding of \$750,000 for direct costs (plus indirect costs). Maximum period of performance is 3 years. 	Pre-Application (Letter of Intent): June 27, 2019 5:00 p.m. Eastern Time Application: July 18, 2019 11:59 p.m. Eastern Time
