## Fiscal Year 2020 Scleroderma Research Program (SRP) Reference Table of Award Mechanisms and Submission Requirements

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
Idea Development Award Go to:  Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-20-SRP-IDA	<ul> <li>Independent investigators at all academic levels (or equivalent).</li> <li>New Investigators: <ul> <li>Terminal degree must be within the last 10 years.</li> </ul> </li> <li>Must not have received NIH R01 funding.</li> <li>Must not have received a New Investigator Award previously from any program within the CDMRP.</li> </ul>	<ul> <li>Supports conceptually innovative, highrisk/high-reward research that could lead to critical discoveries in scleroderma research and/or improvements in patient care.</li> <li>Innovation and impact are important aspects of the award.</li> <li>Research must address at least one of the SRP FY20 Idea Development Award Focus Areas.</li> <li>Clinical trials are not allowed.</li> <li>Preliminary data are required.</li> <li>Pre-application submission is required; application submission is by invitation only.</li> </ul>	The maximum allowable funding for the entire period of performance is \$300,000 for direct costs.  New Investigator Collaboration Option:  The maximum allowable funding for the entire period of performance is \$450,000 for direct costs.  Indirect costs may be proposed in accordance with the institution's negotiated rate agreement.  The maximum period of performance is 3 years.	Pre-Application (Preproposal): September 9, 2020 5:00 p.m. Eastern time  Application: December 4, 2020 11:59 p.m. Eastern time
Translational Research Partnership Award Go to:  Program Announcement General Application Instructions  Grants.gov Funding Opportunity Number: W81XWH-20-SRP- TRPA	Independent investigators at all academic levels (or equivalent).  Clinicians must be an M.D., M.D./Ph.D., or equivalent with clinical duties and/or responsibilities  New Investigators:  Terminal degree must be within the last 10 years.  Must not have received NIH R01 funding.  Must not have received a New Investigator Award previously from any program within the CDMRP.	<ul> <li>Supports partnerships between clinicians and laboratory scientists that accelerate ideas in scleroderma into clinical applications. At least one partner must be a laboratory scientists and at least one partner must be a clinician.</li> <li>One investigator must be a New Investigator.</li> <li>Research must address at least one of the SRP FY20 Translational Research Partnership Award Focus Areas.</li> <li>Clinical trials are not allowed.</li> <li>Preliminary data are required.</li> <li>Pre-application submission is required; application submission is by invitation only</li> </ul>	<ul> <li>The maximum allowable funding for the entire period of performance is \$750,000 for direct costs.</li> <li>The maximum period of performance is 3 years.</li> </ul>	Pre-Application (Preproposal): September 9, 2020 5:00 p.m. Eastern time  Application: December 4, 2020 11:59 p.m. Eastern time
