

Fiscal Year 2021 Military Burn Research Program (MBRP)
Reference Table of Award Mechanisms and Submission Requirements

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
Clinical Translational Research Award Go to: <ul style="list-style-type: none"> Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-21-MBRP-CTRA	Independent investigators at all academic levels (or equivalent)	<ul style="list-style-type: none"> Intended to support human research projects that are likely to have a major impact on patient care by applying promising and well-founded research findings to the care of the burn-injured patient, particularly at the point-of-injury, or during the acute phase of injury. Impact is a key component of this award mechanism and should be clearly described. Burn care interventions or projects scalable to mass casualty events are of particular interest to the MBRP. The proposed study must include clinical research, and may include initial proof-of-concept trials, studies involving use of human anatomical substances, observational studies, and/or involve some retrospective data analysis. Large randomized clinical trials are discouraged. Preliminary data is required. Animal research is not allowed. <i>Pre-application submission is required; application submission is by invitation only.</i> 	<ul style="list-style-type: none"> The maximum allowable funding for the entire period of performance is \$1,500,000 for total costs (direct costs plus indirect costs). The maximum period of performance is 4 years. 	Pre-Application (Preproposal): June 8, 2021 5:00 p.m. Eastern time (ET) Invitation to Submit an Application: July 30, 2021 Application: September 30, 2021 11:59 p.m. ET
Idea Development Award Go to: <ul style="list-style-type: none"> Program Announcement General Application Instructions Grants.gov Funding Opportunity Number: W81XWH-21-MBRP-IDA	Independent investigators at all academic levels (or equivalent)	<ul style="list-style-type: none"> Supports highly impactful and military-relevant research in the field of burn wound care. Inclusion of preliminary and/or published data relevant to the proposed research is required. Research Strategy and Feasibility are important review criteria. Clinical trials are not allowed. <i>Pre-application submission is required; application submission is by invitation only.</i> 	<ul style="list-style-type: none"> The maximum allowable funding for the entire period of performance is \$600,000 for total costs (direct costs plus indirect costs). The maximum period of performance is 3 years. 	Pre-Application (Preproposal): June 8, 2021 5:00 p.m. Eastern time (ET) Invitation to Submit an Application: July 30, 2021 Application: September 30, 2021 11:59 p.m. ET
