Department of Defense  
Defense Health Program  
Fiscal Year 2019 Prostate Cancer Research Program (PCRP)  
Idea Development Award – New Investigator  
Eligibility Statement

CDMRP Log Number: PC19_____________

Principal Investigator’s (PI’s) Name: _________________________________________________

Title of Application: __________________________________________________________________
________________________________________________________________________________

As of the application submission deadline (September 19, 2019), the PI will have met ALL of the following eligibility criteria:

1. Has the freedom to pursue independent research goals without formal mentorship.

2. Has not previously received a PCRP Idea Development Award and/or Health Disparity Research Award.

3. Must be an independent, early-career investigator within 10 years after completion of his/her terminal degree by the time of the application submission deadline (excluding time spent in residency or on family medical leave). Time spent as a postdoctoral fellow is not excluded.

- Date the PI completed his/her terminal degree: __________________ (Month/Year)
- Explanation for any gaps in time:
  __________________________________________________________________________
  __________________________________________________________________________
  __________________________________________________________________________

Signature of PI: ___________________________________________ Date: ___________________

By signature below, I certify that to the best of my knowledge the PI fulfills the requirements to be considered for this award and specifically meets the eligibility criteria described above.
